Re: Amended April Quarterly Report (1/1/09 3/31/09) and July Quarterly Report (4/1/09 6/30/09)

Dear Ms. Iovino,

Regarding the letters referenced above: the incorrect Column B figures contained with the July Quarterly report were corrected with the amended report that was filed on 7/8/09.

In regard to the changes in debt reported and disbursements made by the committee on the Amended April Quarterly Report, these numbers are being impacted by the current review of financial records being conducted. This review will be concluded soon with additional amendments made upon its completion.

In reference to the best efforts to obtain information on contributors with aggregate of \$200 and more, we make all first requests at the time of initial solicitation. This includes requesting full name and address along with employer and occupation of all contributions regardless of amount. I have attached a proforma letter sent to all contributors within 10 days of receiving contribution in which additional information is required. In the letter we state that due to Federal Law we are requesting their full name, address and current employer and occupation for aggregate contributions of \$200 or more in an election cycle.

We have not received any additional information to prompt us to amend our July Quarterly filing at this time.

Please feel free to contact me if you have any additional questions.

Sincerely,  
Paul Ashcroft
